

Dr Suretha Laker is a Gynaecologist who obtained her degree at the University of Pretoria. She started her private practice at Mediclinic Kloof Hospital in 2008.

Dr Suretha Laker's passion is Obstetrics, with a preference for sonars and high risk pregnancies (PET), as well as menopausal treatment and laparoscopic surgery.

She is also one of a few Gynaecologists in Africa who has completed the Winners 2 qualifications at the European Society of Endoscopy.

Dr Laker is a registered member of the FMF(Fetal maternal foundation), ISUOG (International Society of Ultrasound in Obstetrics and Gynecology), IMS (International Menopause Society), SAMS (South African Menopause Society) and ESGE (European Society of Gynecology Endoscopy).

She moved her practice from Pretoria to Lady Pohamba Private Hospital in 1 October 2018 - with all her expertise and experience - from where she looks forward to making a difference.
