Ref No. MOH/MO/2026/24R

01 April 2026

TO: ALL PRIVATE HEALTH PROFESSIONALS

**INVITATION TO APPLY FOR AUTHORISATION TO ADMIT, TREAT
AND/OR OPERATE PRIVATE PATIENTS IN STATE HOSPITALS AND
STATE HEALTH FACILITIES**

The Ministry of Health and Social Services hereby invites all interested, suitably qualified and duly registered private health professionals to apply for authorisation to admit, treat, manage and/or operate on their private patients within State hospitals and State health facilities, in terms of Section 17 of the Hospitals and Health Facilities Act, 1992.

This invitation is issued in support of the Ministry's service delivery improvement agenda under Vision April 2026, and aims to provide a structured framework for collaboration between the public and private health sectors while ensuring compliance with applicable laws, patient safety standards, and institutional requirements.

Private health professionals who wish to make use of State hospital or State health facility infrastructure for the care and management of their private patients are requested to complete the prescribed application form and submit it together with all required supporting documents.

Completed applications must be submitted to the head of the relevant Vision April 2026 State Health Facility where such services are intended to be rendered.

Kindly find attached the prescribed application form and list of requirements for completion and submission at the office of the head of the hospital/superintendent as applicable.

Please accept, the assurance of my highest considerations.

Sincerely Yours,

DR. ESPERANCE LUVINDAO, (MP)
MINISTER
